Contractors *Guide*

The Procurement Technical Assistance Center (PTAC) was established to generate employment and improve the general economy of Louisiana by assisting business firms in obtaining and performing under the U.S. Department of Defense, other federal agencies, state and local government contracts. To accomplish this goal, the PTAC assists businesses in securing government contracts.

The PTAC provides technical and marketing assistance to Louisiana businesses interested in selling their products and services to the government. Procurement Technical assistance includes, but is not limited to: **CCR Registration, Duns & Bradstreet Registration, Small Business Programs, ORCA, GSA**, Forecasting, Solicitation Review, Bid and Proposal Assistance, Bid Matching, Negotiation Support, Contract Administration and Management.
